Dear Mr. Weisberg—

A short note to tell you what happened. I did go to Scotland Yard and they said they don't give out information to anyone—reporters too but the man I spoke to said if I was interested in James Earl Ray I should go to any of the newspapers and read and take notes from their files. Would it be of any use to you if I did so? There might be a chance that somewhere in the many files there could be something interesting—to draw some conclusions from. I don't know if you'd think it'd be of any value to you. Let me know and I'll be glad to dig around a bit if you'd like.

I went to visit that publisher who publishes other assassination books but he wasn't in. I left my address so if he doesn't contact me I'll try again next week.

I found out this evening Mr. Pilger has been trying to get a hold of me by phone so I'll try and get him tomorrow.
